Summary of Series LLC Bill Proposal

BUSINESS & LABOR
EXHIBIT NO. 2
DATE 3-14-2013
BILL NO. HB 362

A Series Limited Liability Company is an entity formed as a Limited Liability Company that has individual series, cells, divisions, internal funds, or portfolios. These are referred to as "series" within the LLC. The series may each have separate Members, Managers, assets and liabilities, and business purposes or investment objectives. The series are all organized under the umbrella of a single LLC, in order to make the operation of the company and the series most efficient for Members.

Each series within a Series LLC may be represented by a separate class or series of shares or membership interests. Members of each series participate solely in the investment results of that series. In effect, then, each series operates as a separate limited liability company, but they are able to utilize the single filing status, as well as efficient maximize shared resources within the Company.

Series LLCs have been approved in many other states, primarily for use in real estate holdings and management operations. The series provide flexibility and expanded planning and structural options to a state's existing LLC statutes, which is attractive to business owners and advisors. The Series LLC structures are also proposed as a proven and necessary corollary to Montana's growing captive and alternative risk transfer business, which has grown exponentially since 2004.

Subject: Final Settlement – Grace Maehl

Dear Ron,

A deep and heartfelt **THANK YOU** to you and your entire staff throughout the entire process of setting up the accounts and handling of both our Dad (James) and Mom (Grace Maehl) and their remains. It was truly a pleasure doing business with you!

I've included a little extra in the final settlement (check #6279) to help pay for some gas for your bike or some cold refreshments on the hot days of summer.

Thank you once again. Know that I will heartily recommend you to anyone that is in the market!

Major Respect...

Ron

Dale Rodgers.

Dear Ron, Thank you for your
heartfelt Compassion at a most
difficult time with the passing
of Floyd, a very dear friend.
You made it easier for me
with your kindness and thought-
fulness.

The days are still hard with a
big void, but it helps knowing
that Floyd is no longer suffering
and is in a better place.

Re: Letter of reference
Mr. Ronald Brothers

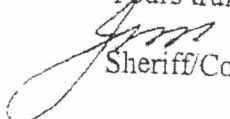

Dear Mr. Dowling:

I received word that Mr. Brothers has applied for a position with your firm and felt compelled to write a letter of reference for Ron.

I have been the Coroner for Flathead County the past 9 years and a Deputy Coroner for the past 20 years. Many people have come and gone from the various funeral homes in this valley, but none have been as professional or caring as Mr. Brothers. It has always been a pleasure to see him arrive on a coroner call as I would know instantly that the family would be taken care of and all their questions would be addressed. Ron just seems to have the "right stuff" when it comes to dealing with families during times of crises. His dress has always been exceptional and he conducts himself as if he owned the funeral home he worked for.

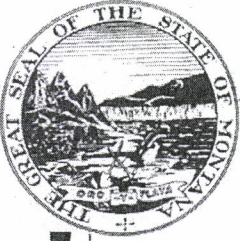

We would surly miss Ron should he leave the Flathead. If you have any questions or concerns about Ron, please feel free to call me, anytime. I have hired many people over the years and know how difficult the decision can be. I can assure you that Ron would represent your firm in such a manner that would not go un-noticed by the families you represent.

Yours truly,

Sheriff/Coroner Jim Dupont

Congratulations!

You have been chosen to attend the second Flathead County Citizens' Sheriff's Academy. We appreciate your interest in law enforcement and anticipate this will again be a mutually rewarding and educational experience.

The first class will begin at 7:00 p.m. on January 12, 2000 in the basement of the Justice Center, at which time you will receive detailed information regarding the instructors and the classes to be presented. The classes will run each Wednesday evening for 14 weeks and will be approximately two hours in length. The training will be comprehensive and will include a tour of the Detention Center and the Communications Division.

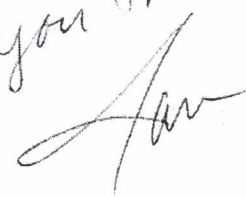

There will be 30 people in the class, and you must be able to commit to 12 of the 14 classes in order to receive your Certificates of Completion and/or the Continuing Education Units from FVCC. In fairness to all applicants, if you are not able to do this, please contact Jan Leddy at 758-5600.

We look forward to seeing you there.

Sincerely,

Maxine Lamb
Commander

PATHOLOGY CONSULTATION

December 22, 1995

To Whom It May Concern:

I have known Mr. Ronald E. Brothers for the past approximate four years, both while he worked here at Kalispell Regional Hospital Laboratory as an employee, and also on a personal basis as Mr. Brothers would from time to time keep me abreast of his accomplishments at school and his progress towards realizing his professional goals in the field of Mortuary Sciences.

During this entire time I have found Mr. Brothers to be an outstanding individual of utmost integrity and high moral character, as well as a very pleasant and enjoyable person individually.

If you have any further questions of me that I could perhaps be of assistance. do not hesitate to call.

Sincerely,

Drew H. Smith, MD
